Dear Friends,

I hope you are able to see this is our story—all of us working together to witness Christ glorified. From residents to city officials, we all play a significant role in seeing the Parker Street neighborhood restored.

This is how it should be. I believe we are our brother's keeper. My prayer is that we all ask ourselves how we can help when there is a need in Lakeland.

I am so very hopeful because this is what you all have done for the people of Parker Street. Thank you for asking the tough questions and responding with kindness and generosity. No real lasting change happens without community.

Thank you for the years of love and support you have shown your neighbors.

For God's glory and our good,

Tim Mitchell
Executive Director
