Reasons to Celebrate

Vermont Ave duplex construction began as part of Housing Initiative which focuses on those underhoused and cost burdened.

Served 600+ households through advocacy, crime prevention, connections to resources, clean-ups, and more.

Christ represented through listening over self-deploying; affirming God-given dignity in all people; and staff living side-by-side in the neighborhood.

Open 864 hours to narrow learning gaps and provide safe haven for 131 students in grades K-12.

Led 12 high schoolers through immersive Workforce Lab, teaching soft job skills while students earned stipends and saved for post-graduation.

19,378 snacks and meals served through after-school program and Summer Camp.

Fellowship opportunities and activities offered at neighborhood celebrations, including Christmas Store (which served more than 1,300).

677 volunteers logged more than 3,613 hours to make it all happen and leverage donor dollars. Of these volunteers, 28 were neighborhood residents who served 18% of total hours.
